

# CHEMICAL HAND PROTECTION SIMPLIFIED

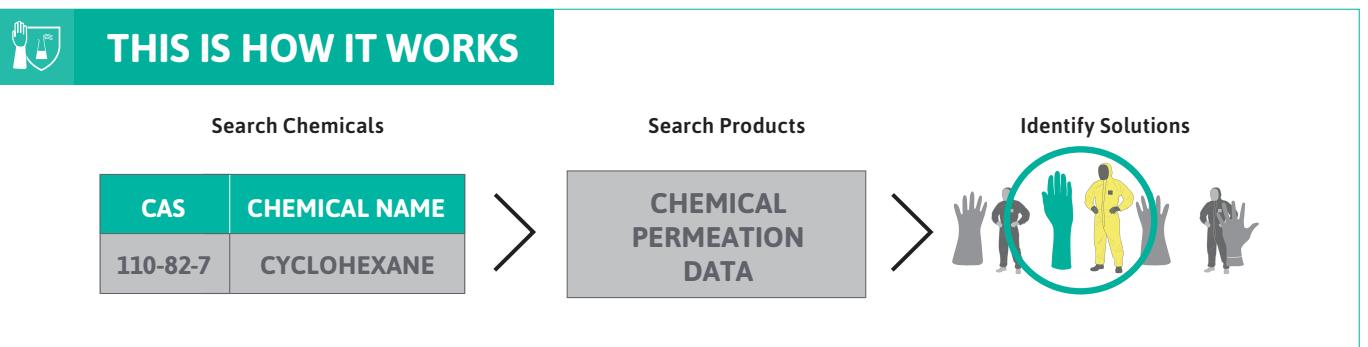

Ansell's Guardian™ Partner online tool matches glove materials with your labs' chemicals to offer a personalized glove assessment, along with recommended permeation times, delivering maximum protection to your technicians and researchers.

## SOLUTIONS

Selecting the appropriate glove has never been easier. With our selection of tools, we'll be able to help you find the solutions which are best suited to your lab's needs.

The tools feature a simple and intuitive user interface and are accessible on desktops, tablets and mobile devices.
